9:30am - 10:30am Wednesdays (during school term). Wednesday morning at Papsda is usually very busy. The church buzzes with children aged 0-5 having a great time playing, learning and singing together at Playgroup. Parents, grandparents and other caregivers find it the perfect opportunity to choose to engage in all kinds of activities, crafts and music, and have a fun and learning time with their child. At the same time it gives them the opportunity to meet a wide range of people in the community who face the same joys and challenges that Our Playgroup exists to provide young children of all cultures and abilities with Christ-centred educare that will develop and expand their growth mentally, physically, emotionally and spiritually.
